Lisa – We have access from [Citizen Name/Ex. 6] for the Maria L. @ A-61 but we never received access from [Citizen Name/Ex. 6] at A-64. I intend to pursue [Citizen Name/Ex. 6] again for access – he seemed OK with giving access when I spoke with him on the phone but never returned the AA. Lets see if you can get any more information from the assessor's office on Monday.

I'm going home now.

Paula,

If you want to rely on Larry's recollection which is probably correct, I can get those owners off the internet in a jiffy right this sec. I'll do it and if you want to great and if you would rather wait til I can get to assessor's again then that's fine too. Will have those owners in a sec.

No problem. I think the Marcia L. and Ester Allen has all the river frontage in that area.

Larry – We are going on what Lisa Richardson, BLM has found in the assessor's office records. I can ask Lisa to review the maps and then we can get back to you. Thanks again for a quick response.

Hi Paula-

I do own the Bend but it isn't real near the Animas River. I don't think any of it is between the lower county road and the river. Do you have a map that says different?

Larry – Attached is a letter requesting access to your property along the Animas River for water quality sampling and an access agreement. I know this request doesn't give you much time but we would appreciate a quick response. Please feel free to give me a call if you have any questions. Thank you.
